Re: - Our letters and reminders to you with regard to matters under subject as follows amongst others letter, dated-02-01-2016

With regard to above subject and reference, we enclose Xerox copies of our letter mentioned above.

Your indifferent and harmful misbehavior in not conducting survey of Wakf properties has encouraged land mafia, hooligans and anti-socials to grab Wakf properties and land.

The ISIS has already been found working deeply in Metiaburz. Their source of income and revenue is through extortion, grabbing Wakf properties and ransom. There is a reign of terror pervading in Metiaburz against Shia Wakf Properties.

On 09-01-2016 anti-social elements working with ISIS ideology have been attempting to grab a large piece of land belonging to the Shia Wakf Estate popularly known as New Karbala Chatra Ara Begum at P- 39 Garden Reach Road know known as Nawab Wajid Ali Shah Road P.S Metiabruz Kolkata-700024.

We are hereby informing the authorities of the above illegal activities of the ISIS dominated anti-socials.

We request you once again to immediately post large Police force from the Lal Bazar Head Quarters to the above said Wakf Estate. Please note the local Police authority will be influenced by the local anti-social and politicians.

Kindly note that the ISIS dominated anti-socials have threatened to destroy all the Wakf Estates of the Shias in Bengal if any objection is made to their illegal activities. The lives of Shias in Matiabruz are in serious danger.

Please find enclosed a Xerox copy of our letter dated-02-01-2016 addressed to the administration and authorities for your reference and necessary action.
